

The ITEK collection consists of advanced task chairs that can be customized with different ergonomic elements. The breathable technical mesh backrest is available in four colors and incorporates a lumbar support with adjustable height. The chairs can be equipped with adjustable or fix arms as well as different types of bases, casters and movement mechanisms. The collection is completed with stackable cantilever armchairs that are ideal for meeting areas. The chairs can be upholstered in any fabric of the INCLASS swatch book or with fabrics supplied or specified by the client.

**ECOLOGY**

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

ISO 14001 certificate [+info](#)

**QUALITY STANDARDS**

ISO 9001 certificate [+info](#)

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.

UNE-EN 1335-1:2001.

UNE-EN 1335-2:2009.

Certificate of the Biomechanics Institute of Valencia.

*INCLASS products have been extensively tested to exceed industry testing standards at AIDIMME. AIDIMME is member of the European network INNOVAWOOD and its testing laboratories are accredited by ENAC.*
