

FLAT est une collection de tables polyvalentes avec une esthétique moderne et intemporelle pour des environnements très différents: bureaux, espaces de réunion, restaurants, cafés, maisons, etc. Les tables sont générées en combinant des bases de colonne centrale avec des plateaux de différents formats et matériaux. Une silhouette esthétique simple et essentielle définit l'esthétique de cette pratique collection de tables.

DESIGNER: INCLASS Studio

The INCLASS design studio started its activity in 2005 with the aim of embedding and driving design in different areas of the company. Today the studio is made up of a cross-functional team which incorporates product designers, graphic designers, engineers and prototype technicians. Since then it has undertaken the overall design of numerous products and has developed the proposals of top external designers who usually work with our firm. The studio strives to ensure that INCLASS designs have a contemporary look, that at the same time are balanced, pure, elegant and timeless with a view to introducing collections that are always innovative, attractive and modern.

BASES

The 48x48cm and the 47cm round bases have a central column made of a 80mm round steel tube. The 65cm round bases have a central column made of a 100mm round steel tube.

The base plate is made with steel plate 8mm thick.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch book or in chrome. The bases with chrome column have a matt stainless steel bezel covering the plate.

The bases are available in heights of 72 and 103cm. The base plate has felt pads to protect the flooring.

TABLE TOPS

Lacquered mdf top:

It is made of 22mm mdf board. The edges are bevelled and the corners are rounded. Available in any of the lacquer colours of the INCLASS swatch book.

Oak veneered mdf top:

It is made of 22mm oak veneered mdf board. The edges are bevelled and the corners are rounded. Finished with acrylic varnishing in all of the oak veneer stains of the INCLASS sample book.

13mm Compac top:

It is made of high density compacted fiber board. The outer surfaces are made of melamine. The edges are rounded. Available in soft textured white colour.

22mm bilaminated top:

It is made of 22mm particle board with outer surfaces made of melamine. The edges are covered with 1,5mm abs bands. Available in soft textured white colour.

Table tops in marble (optional):

On request, natural marble tops are also available in Marquina black or Carrara white varieties. Ask our commercial department to get price and delivery time. The tops can be manufactured with other materials and finishes for special projects.

CERTIFICATION & STANDARDS

- AIDIMA Quality Control Label

- The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.
- INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

WARRANTY

INCLASS MOBLES S.L. guarantees the products from the FLAT collection against defective materials and workmanship for a period of 5 years from the purchase date. Any damage caused by misuse, negligence or accident as well as that arising from inadequate product maintenance is excluded from this warranty. Natural ageing and wear-and-tear of surface materials are also excluded. The establishment must demonstrate the date of purchase of the article with the corresponding invoice.

INCLASS will replace or repair any faulty products or parts free of charge and any further liability is excluded.
