

STELLA is a collection of versatile tables with a pure, timeless and essential design that makes them ideal to inhabit any environment, either contract, office or domestic. The tables are characterised by its original cast aluminum central base with four spokes that can be combined with round or square tops available in different sizes and materials. The STELLA tables are produced in two heights: 40 and 75cm.

ECOLOGY

Product environmental data sheet [+info](#)

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

ISO 14001 certificate [+info](#)

QUALITY STANDARDS

ISO 9001 certificate [+info](#)

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.
