

The ITEK 200 series completes the collection ITEK with upholstered backrest versions. The armchairs can be upholstered in any of the leathers and fabrics recommended in the INCLASS swatch cards or with fabrics supplied or specified by the customer. ITEK 200 chairs automatically adapt to each person posture through the many ergonomic elements incorporated.

ECOLOGY

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.
