

DUNAS XS seating collection arises from the pursuit of a transversal and iconic design that can inhabit the most diverse spaces and environments. The family is generated by combining comfortable seats, available with and without arms, with a wide variety of bases of different functionality. The wide range of finishes and bases available offers great possibilities for use in all types of contexts and spaces. Refinement, formal clarity and essential elegance are the hallmarks of this versatile collection of seating designed by Christophe Pillet.
