

Designed by Simon Pengelly, UNNIA is an extensive collection of versatile chairs, armchairs, stools and benches with a unique concept of colour and finish combinations. Its design allows plastic or upholstered seats and backrests to be combined, in one or two colours, with a varied range of bases of different functionality. The concept allows the configuration of an endless number of customised designs that adapt to a diversity of contexts, spaces or decorative styles. UNNIA collection has been awarded the prestigious design prize: "Design Guild Mark".
