

ESCALAS is a flexible modular collection of sofas and benches designed to inhabit modern lounge spaces and waiting environments. The collection stands out for its elegant, balanced and timeless design. The ESCALAS sofas are built combining different elements such as upholstered seats, with or without backrests, arms of different formats, privacy panels and tabletops over horizontal platforms of different sizes. The result is a highly configurable collection that allows to create both traditional sofas or complex modular shapes that will easily fit into the most varied projects and spaces.
