PLANIA BENCH

design – Studio INCLASS

PLANIA BENCH is a versatile collection of individual and modular benches characterized by a linear, elegant and timeless design. A collection that combines functionality, flexibility and design. PLANIA benches are available in a wide range of sizes, with or without backrest, and can be built with different types of legs. For full functionality, the collection offers a series of connecting tables that allow the configuration of multiple shapes and combinations, facilitating their integration into all types of environments and spaces.

ECOLOGY

Product environmental data sheet +info

INCLASS production processes are certified according to environmental standards ISO 14001 in order to minimise any impact on the environment.
ISO 14001 certificate +info

QUALITY STANDARDS

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.
ISO 9001 certificate +info

UNE-EN 16139:2013vc2015 - Furniture - Strength, durability and safety - Requirements for non-domestic seating.

INCLASS products have been extensively tested to exceed industry testing standards at AIDIMME.
AIDIMME is member of the European network INNOVAWOOD and its testing laboratories are accredited by ENAC.
