

The NUC program comprises a variety of side tables and poufs which combine versatility, style, and contemporary elegance. Each element of the collection is designed to work independently or be freely combined to create unique and functional compositions. The essence of this versatile collection consists of its elegant metal bases, that take their identity from the distinctive knot formed by the crossbars when joining with the legs.

ECOLOGY

INCLASS production processes are certified according to environmental standards ISO 14001 in order to minimise any impact on the environment.
 ISO 14001 certificate [+info](#)

QUALITY STANDARDS

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.
