

Kern

Designed by Pearson Lloyd

INCLASS

Kern is a universe of modular seating elements. An adaptable system of essential pieces of furniture to be used independently or freely combined. With Kern, you can create bespoke furniture compositions that seamlessly adapt to any space or context and can be effortlessly rearranged as needed.

Ideal for lounge, waiting and meeting areas, Kern offers tailored spaces for working, gathering or connecting. Its fully modular design and limitless configuration possibilities make it a truly adaptable solution for any environment.

The collection includes Sofas, Modules, Rooms and Tables, which together form a comprehensive universe of versatile elements, perfectly suited to meet the needs of any lounge or interaction environment.

Sofas (p. 6)

The versatile Kern sofas can be used individually or be combined with elements from the Modules collection. Elegant and essential, the sofa collection stands out for its organic beauty and timeless design.

Modules (p. 14)

The Kern Modules collection offers a wide range of fully modular elements that can be used on their own or connected to form endless configurations and shapes. Designed for flexibility, these pieces effortlessly adapt to any space with fluid elegance.

Rooms (p. 24)

In open-plan offices or halls, Kern can be configured to create rooms within a room. Intimate spaces that are ideal for casual meetings or focused work.

Low tables (p. 32)

The collection also includes a wide range of coffee and side tables, available in various formats. These tables can stand alone or be seamlessly combined to enhance the collaborative possibilities of Kern.

Sofas

The elegant sofa collection is defined by its organic beauty, fluid lines and distinctive aluminium legs, designed for both impact and practicality, including ease of cleaning. The essential sofas and armchairs can be customised with upholstered privacy panels, making them ideal for creating focused, intimate spaces.

Sofas

Kern

Versatile and refined, Kern sofas can be used as standalone pieces or combined with elements from the Modules collection, creating endlessly adaptable seating arrangements with a touch of organic beauty.
