EN • Designed to provide versatility and performance, the ORUS task chair combines a sleek design and ease of function with an unparalleled comfort and a balanced cost. Its refined design and flexible backrest ensure optimal ergonomics throughout the workday. Developed to have a transversal use, its intuitive swivel and tilt mechanism allow for effortless movement promoting seamless transitions between tasks. The chair is available in six polypropylene colours and can be equipped with aluminium arms. The tilt movement, ergonomic backrest and padded seat cushion provide instantaneous comfort to accommodate a broad variety of needs. The backrest can be fitted with a removable padded cover and an optional adjustable lumbar support to upgrade the ergonomics.

ES • Diseñada para brindar versatilidad y funcionalidad, la silla de trabajo ORUS combina un diseño elegante y facilidad de uso con una comodidad inigualable y un coste equilibrado. Su diseño refinado y respaldo flexible garantizan una ergonomía óptima durante toda la jornada laboral. Desarrollada para un uso transversal, su mecanismo intuitivo de giro e inclinación permite un movimiento sin esfuerzo, lo que promueve transiciones fluidas entre tareas. La silla está disponible en seis colores de plástico y puede equiparse con brazos de aluminio. El movimiento de inclinación, el respaldo ergonómico y el cojín del asiento acolchado brindan comodidad instantánea para adaptarse a una amplia variedad de necesidades. El respaldo puede equiparse con una funda acolchada extraíble y un soporte lumbar ajustable opcional para mejorar la ergonomía.

FR • Conçue pour offrir polyvalence et performance, la chaise de travail ORUS allie un design élégant et une facilité d'utilisation, avec un confort inégalé et un prix équilibré. Son design raffiné et son dossier flexible assurent une ergonomie optimale, tout au long de la journée de travail. Développée pour une utilisation transversale, son mécanisme intuitif de pivotement et d'inclinaison permet un mouvement sans effort, favorisant des transitions fluides entre les différentes activités. La chaise est disponible en six couleurs de plastique et peut être équipée avec accoudoirs en aluminium. Le mouvement d'inclinaison, le dossier ergonomique et le coussin d'assise rembourré offrent un confort instantané pour répondre à une grande variété de besoins. Le dossier peut être équipé d'une housse rembourrée amovible et d'un support lombaire réglable en option pour améliorer l'ergonomie.
