

Designed to provide versatility and performance, the ORUS task chair combines a sleek design and ease of function with an unparalleled comfort and a balanced cost. Its refined design and flexible backrest ensure optimal ergonomics throughout the workday.

Developed to have a transversal use, its intuitive swivel and tilt mechanism allow for effortless movement, promoting seamless transitions between tasks.

The chair is available in six plastic colours and can be equipped with aluminium arms. The tilt movement, ergonomic backrest and padded seat cushion provide instantaneous comfort to accommodate a broad variety of needs. The backrest can be fitted with a removable padded cover and an optional adjustable lumbar support to upgrade the ergonomics.
