ENVIRONMENT & HEALTH

INCLASS production processes are certified according to environmental standards ISO 14001 in order to minimise any impact on the environment. ISO 14001 certificate [+info](#)

FIRE REQUIREMENTS

The slabstock polyurethane foam of the upholstered seat pads and seat shells meets :

BS 5852: Part 2, flame source 5 (CRIB 5) - Methods of test for assessment of the ignitability of upholstered seating by flaming ignition sources: Source 5 – Crib 5.

CAL TB 117 - Test method for the flame resistance of resilient cellular materials used in upholstered furniture: Ignition source – Open flame.

We recommend the use of wool or non-flammable syntethic fabrics.

Please contact our Customer Service department if your project has specific flammability needs or if you need to know if all components comply with the required standards.

QUALITY STANDARDS

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products. ISO 9001 certificate [+info](#)
