

Emotion, sensuality and functionality in perfect balance.

Inspired by the curves of nature, ONEM is a versatile sofa system defined by a fluid, organic and inviting aesthetic. The enveloping backrests, which embrace the seats, convey a pleasant sense of warmth and comfort.

The collection includes sofas in different sizes, which can be combined with a range of versatile ottomans and poufs. With its balanced design, ONEM celebrates the softness of curves and the harmony of lines, shaping and embracing both the space and those who inhabit it.
